

Date	Type of dissemination	Title of conference/journal/website	Titel of publication	Involved consortium partner(s)
Jun-16	non-peer reviewed publication	Plastics MAGAZINE, 06/2016, Vol. 11.	Are there GreenPremium prices for bio-based plastics?	NOVA
Sep-16	Press release	-	Demonstration project started for the conversion of woody biomass to chemicals	BRD
Jan-17	Press release	http://news.bio-based.eu/news-from-nova-research-greenpremium-and-eu-ecolabel/	GreenPremium and EU Ecolabel	NOVA
Mar-17	Stakeholder meeting	Successful R&I in Europe. Networking event, 2-3 March, Dusseldorf, Germany	BIOFOREVER; Project Introduction	BRD
	Press release	Press release Q1	Borregaard's BALI™ process reaches Technical Readiness Level 7 as BIOFOREVER project advances	BRD
	EU Stakeholder meeting	Workshop in funding possibilities in BBI, 16 March 2017, Oslo, Norway	-	BRD
May-17	Conference	International Conference on Bio-based Materials, 10-11 May 2017, Cologne, Germany	Industrial Enzymes for Cellulosic Sugars and Beyond – the Power and Speed of Tailored Solutions	Borregaard, Metgen
	Conference	Cleantech Forum Europe, 16-18 May 2017, Helsinki, Finland	Cultivating a Successful Bioeconomy, Starting with Biomass	Metgen
Jun-17	Stakeholder meeting	Seminar on collaboration between petroleum industry and bioenergy sector, 15 June 2017, Oslo, Norway	H2020 deltakelse er mulig og nyttig – Borregaards erfaringer med bruk av EU's støtteprogrammer for FoUoI	Borregaard
	Conference	Biotechnology of Plant Products Conference, 19 June 2017, Olomouc, Czech Republic	Examples of a range of advanced performance chemicals out of biomass from a running biorefinery	Borregaard
	Conference	EuroNanoForum 2017, 21-23 June 2017, Valletta, Malta	"Industrial Enzymes for Cellulosic Sugars and Beyond"	Metgen
	Conference poster	RRB-13 - 13th International Conference on Renewable Resources and Biorefineries - June 7-9 Wroclaw, Poland	High-throughput screening of mild-acid pre-treatment conditions in	DSM

			production of cellulosic sugars from wood	
Jul-17	Press release	Press release Q2	Bioforever	BRD
Aug-17	Conference	NorZymeD, 23rd of August 2017, Bergen, Norway	"Industrial Enzymes for Cellulosic Sugars and Beyond"	MetGen
Sep-17	Conference	Brightlands Rolduc Polymer Conference 2017, 10-13 September 2017, Kerkrade, The Netherlands	"New building blocks for biobased polymers"	MetGen
	Conference	TechInnovation "DISCOVER. CONNECT. COLLABORAYE." 2017, 19-20 September 2017, Singapore	Industrial Enzymes for Cellulosic Sugars and Beyond – Power and Speed of Tailored Solutions	MetGen
	Conference	Enzyme Engineering XXIV Conference, 24-28 September 2017, Toulouse, France	"New glucose isomerase - fit for biorefinery challenge"	MetGen
	Conference	6th ICLE conference, 27-28 September 2017, Brussels, Belgium	-	BRD
	Stakeholder meeting, poster	Kennisdag Horizon 2020 Bio-Economie, 28 september 2017, The Hague, The Netherlands	BIOFOREVER	BRD
	Conference	CONFERENCE Industrial Innovation Info Days, European Commission Directorate General for Research & Innovation, Brussels	Dissemination of Bioforever project	API Europe
Oct -17	Stakeholder meeting	Biobasierte chemie im Fluss, 24 - 25 October 2017, DECHEMA, Frankfurt, Germany		NOVA
Nov-17	Article non peer reviewed	BIOFOREVER article in http://www.besustainablemagazine.com/	Demonstrating the Feasibility of Commercial Scale Biorefineries in Europe	BRD
	Stakeholder meeting	Biorizon Annual Event 2017 on Functionalized Biobased Aromatics, 30 November, Antwerp, Belgium	-	BRD
	non-peer reviewed publication	https://bioforever.org/sites/default/files/publications/2016-11/GreenPremium-prices-for-biobased-plastics_2.pdf	Are there GreenPremium prices for bio-based plastics?	NOVA
Dec-17	EU-BBI Stakeholder meeting and exhibition	BBI JU Stakeholder Forum, Brussels December 6-7, presentation	-	DSM
Jan-18	Article non peer reviewed	Biofuels International, Jan-Feb 2018 edition	Enabling Commercial Scale Biorefineries in Europe	BRD
Feb-18	Conference	Advanced biofuels conference, February 7-8, Amsterdam, The Netherlands	BIOFOREVER; Project introduction to the 2018 Lignofuels audience	Avantium, BRD

	Conference	ABLC 2018, February 28 - March 2 Washington, DC, USA	“Challenges in modern biorefineries”	Metgen
Mar-18	Conference, poster	ECO-Bio conference, March 5 - 7 Dublin, Ireland	Bioforever project for the conversion of woody biomass to value added products	DSM
	Conference	Circulair congres: Agrifood, chemie en energie samen naar een circulaire economie, March 14-15, Geertruidenberg, The Netherlands	-	DSM
	Conference	ACS National Meeting & Expo 2018, March 18 - 22 New Orleans, Louisiana, USA	Enzymatic lignin modification without solvents in water soluble alkaline conditions	Metgen
	Press release	http://news.bio-based.eu/bioforever-detailed-evaluation-of-greenpremium-prices-for-bio-based-products-along-the-value-chain/	BIOFOREVER: Detailed evaluation of GreenPremium prices for bio-based products along the value chain	NOVA
Apr-2018	Conference	Horizon 2020 Info Days - Clean Energy	Biofuels discussion – dissemination of BIOFOREVER project	API Europe
May-18	Conference, oral presentation	EUBCE conference, May 14 - 18, Copenhagen	BIOFOREVER; From biomass to chemical building blocks; A BBI JU demonstration project	BRD
	Stakeholdermeeting	May 16, RvO stakeholder meeting, The Hague	Introduction to the BIOFOREVER project	BRD
	Conference, poster	14th International Conference on Renewable Resources and Biorefineries (RRB-14)- Ghent, 30 May -1 June, 2018	High-throughput screening of mild-acid pre-treatment conditions in production of cellulosic sugars from wood	DSM
Jun-18	Conference	Presentation at the conference „Bioökonomie in Niedersachsen – Trends für Innovationen“, Soltau, Germany, June 27, 2018.	Markttrends, aktuelle Herausforderungen und Perspektiven der Bioökonomie in Europa (in German)	NOVA
July-18	Conference	BioWorld Congress, July 16 – 19th	MetGen @ BioWorld Congress Philadelphia 2018	Metgen
Oct-18	Conference	Industrial Synthetic Biology Congress, October 8 - 9 Munich, Germany	Directed evolution of an extremely alkaline and thermostable laccase	Metgen

	Conference	Biofuels-2018 , October 18 - 20 Ottawa, Canada	Concept and challenges of modern biorefineries	Metgen
	Conference, poster	Nordic Wood Biorefinery Conference 2018 –Helsinki, Finland - October 23-25 2018	Bioforever project for the conversion of woody biomass to chemicals	DSM
	non-peer reviewed publication	Bioforever paper: https://bioforever.org/sites/default/files/publications/2018-11/Detailed-eval-GreenPremium-prices-for-bb-prod-along-value-chain%20October%202018%20update.pdf .	Detailed evaluation of GreenPremium prices for bio-based products along the value chain,	NOVA
Nov-18	Conference	ABLC Global, November 6 - 9 San Fransisco, USA	Challenges in modern biorefineries	Metgen
	Training	Organisation of a training workshop related to the in-depth consumer study, November 22, 2018, in cooperation with Infraser Knapsack, Huerth, Germany. Presentation of the outcome of the event in https://magazin.chemiepark-knapsack.de .	Einblick in die Matroschka: Wie In-Depth-Marktforschung hilft, richtige Entscheidungen zu treffen (in German)	NOVA
Jan-19	Peer reviewed journal	Bioresource Technology Reports 5 (2019) 220–229	Fast screening of optimal acid-pretreatment conditions in the conversion of wood to ligno-cellulosic sugars	DSM
	Press release	http://news.bio-based.eu/in-depth-psychological-market-research-finds-surprising-insights-into-consumers-mindset-towards-bio-based-products/	In-depth psychological market research finds surprising insights into consumers' mindset towards bio-based products	NOVA
	Conference	IBioIC (Industrial Biotechnology for a Sustainable Future), Glasgow, 30-31.1.2019	Enzymatic solutions for Industrial Biorefineries	Metgen
Mar-19	Conference	BDC (Biorenewable Deployment Consortium), Jacksonville, FL, 12-13.3.2019	Enzymatic solutions for Industrial Biorefineries	Metgen
Apr-19	Conference poster	41st Symposium on Biotechnology for Fuels and Chemicals 2019 - in Seattle, WA, April 28 - May 1, 2019	Fast optimization of acid-pretreatment conditions in the conversion of wood to ligno-cellulosic sugars, using ERG, the Estimated Residual Glucan level	DSM
	Workshop	3rd Lignin Ecosystem Workshop- CEFIC/Pöyry: Towards end use	Industrial Enzymes – Power and	Metgen

		needs, Brussels, Belgium, 4.4.2019	Speed of Tailored Solutions	
	Conference	BBI JU Info days, Brussels	Discussion on the next steps of BIOFOREVER – continuation with another BBI project	API Europe
May-19	Workshop	BIOFOREVER dissemination workshop, May 17, Cologne, Germany	DSM cellulosic technologies advanced enzymes and yeasts a.o.	Various consortium partners
	Workshop	BIOFOREVER workshop, May 16 th , Koln, Germany http://news.bio-based.eu/bioforever-workshop-in-depth-b2c-market-research-and-greenpremium/	In-Depth B2C Market Research and GreenPremium	NOVA
	Conference, poster	12 th International conference on biobased materials, 15-16 th May, Koln	Bioforever project for the conversion of woody biomass to chemicals	DSM
	Conference EU	BBI JU Info Day, Thessaloniki Greece	Introduction of BBI JU in Greece, presentation of BIOFOREVER project	API Europe
June-19	Conference	IFBC (International Forest Biorefining conference), International Symposium on Lignocellulosic materials, Thunderbay, Canada, 9-12-6-2019	Modern Biorefineries	Metgen
Oct-19	Conference, oral presentation	Chemelot-InScite annual meeting, October 8/9, Venlo, The Netherlands	Presentation of BIOFORVER project	API Europe
	Conference, poster	European Summit of Industrial Biotechnology (ESIB) 2019 – 18-20/11/2019, Graz - Austria	Fast optimization of acid-pretreatment conditions in the conversion of wood to ligno-cellulosic sugars, using ERG, the Estimated Residual Glucan level	DSM
	Conference, poster	European Summit of Industrial Biotechnology (ESIB) 2019 – 18-20/11/2019, Graz - Austria	Workshop – Presentation of BIOFOREVER project – discussion	API Europe
	Conference	FTP Conference -2019 - Helsinki Finland	Poster for the BIOFOREVER project	API Europe
Dec-19	EU-BBI Stakeholder meeting and exhibition; presentation & poster	BBI-JU Stakeholder meeting, December 3/4, Brussels, Belgium;	BIO-based products from FOREstry via Economically Viable European Routes	Avantium, BRD, DSM
	Peer reviewed paper	Bioresource Technology Reports 9 (2020) 100361, to be	Scale-up of optimal mild-acid	DSM & BPF

		published	pretreatment conditions in the production and application of lignocellulosic sugars from wood.	
Jan-20	Article in preparation	Article in Biofuels International	The BIOFOREVER project	Various consortium partners
	Article non peer reviewed	International Aquafeed magazine	Ethoxyquin ban in the EU	BOR
	Article peer reviewed	Bioresource Technol., 300 (2020), 122652	Sulfurdioxide-ethanol-water fractionation platform for conversion of recycled wood to sugars, lignin and lignosulfonates	API & Suez
	Article in preparation	-	Pilot Scale SO ₂ -Ethanol-Water Fractionation of Recycled Wood to Sugars, Bioethanol, Lignin, and Lignosulfonates: Carbohydrate Balance.	API
